Technical drawing of a folding machine part. The drawing shows a long, thin rectangular component with various features and dimensions. Callouts A, B, C, and D are used to identify specific parts. A coordinate system with X and Y axes is shown at the bottom left. The drawing is oriented horizontally, with the X-axis pointing to the right and the Y-axis pointing upwards. The part has a central section with a dashed line, indicating a fold or a break. Dimensions are given in millimeters (mm) and inches. The part is made of SS304 material and has a surface treatment of Pulido (Polished). The drawing is labeled with the part number FM004-TRN-302-001 and the revision A.
